

ALL SAINTS CATHOLIC SCHOOL
TUITION PAYMENT PLAN w/ FACTS 2022-2023

Just a reminder that again this school year, All Saints Catholic School will not be accepting tuition payments directly (checks, cash). Instead, ASCS will continue its partnership with FACTS, an online tuition management program, to collect all tuition and fees. Moving forward, all communication regarding payment of tuition/fees, including reminders as well as past due payments, will come directly from FACTS and not All Saints Catholic School. During the month of June, all new ASCS families should have received an email/letter from FACTS to set up an online method for your payment(s)/payment plan for this school year. Please complete this step as soon as you are able. If you have questions about the amount due, please contact the business office at jthom@ascscrusaders.org or by calling the school office at 715-623-4835. Thank you!

A tuition payment plan must be selected when setting up your online account through FACTS, the online tuition management program that will be utilized by ASCS during the 2022-2023 school year. A tuition payment plan must also be submitted at the ASCS Open House or prior to the end of the first day of school. ASCS offers four (4) tuition payment options to its school families; one single full tuition payment, two equal semester payments, eight equal monthly payments, or nine equal monthly payments. If a tuition payment plan is not selected by the date as required above, the monthly payment plan (equal monthly payments for the months of September through April) will be selected for you through FACTS. Thank you for supporting Catholic education in our community!
